A VALLEY OF TRANSFORMATION

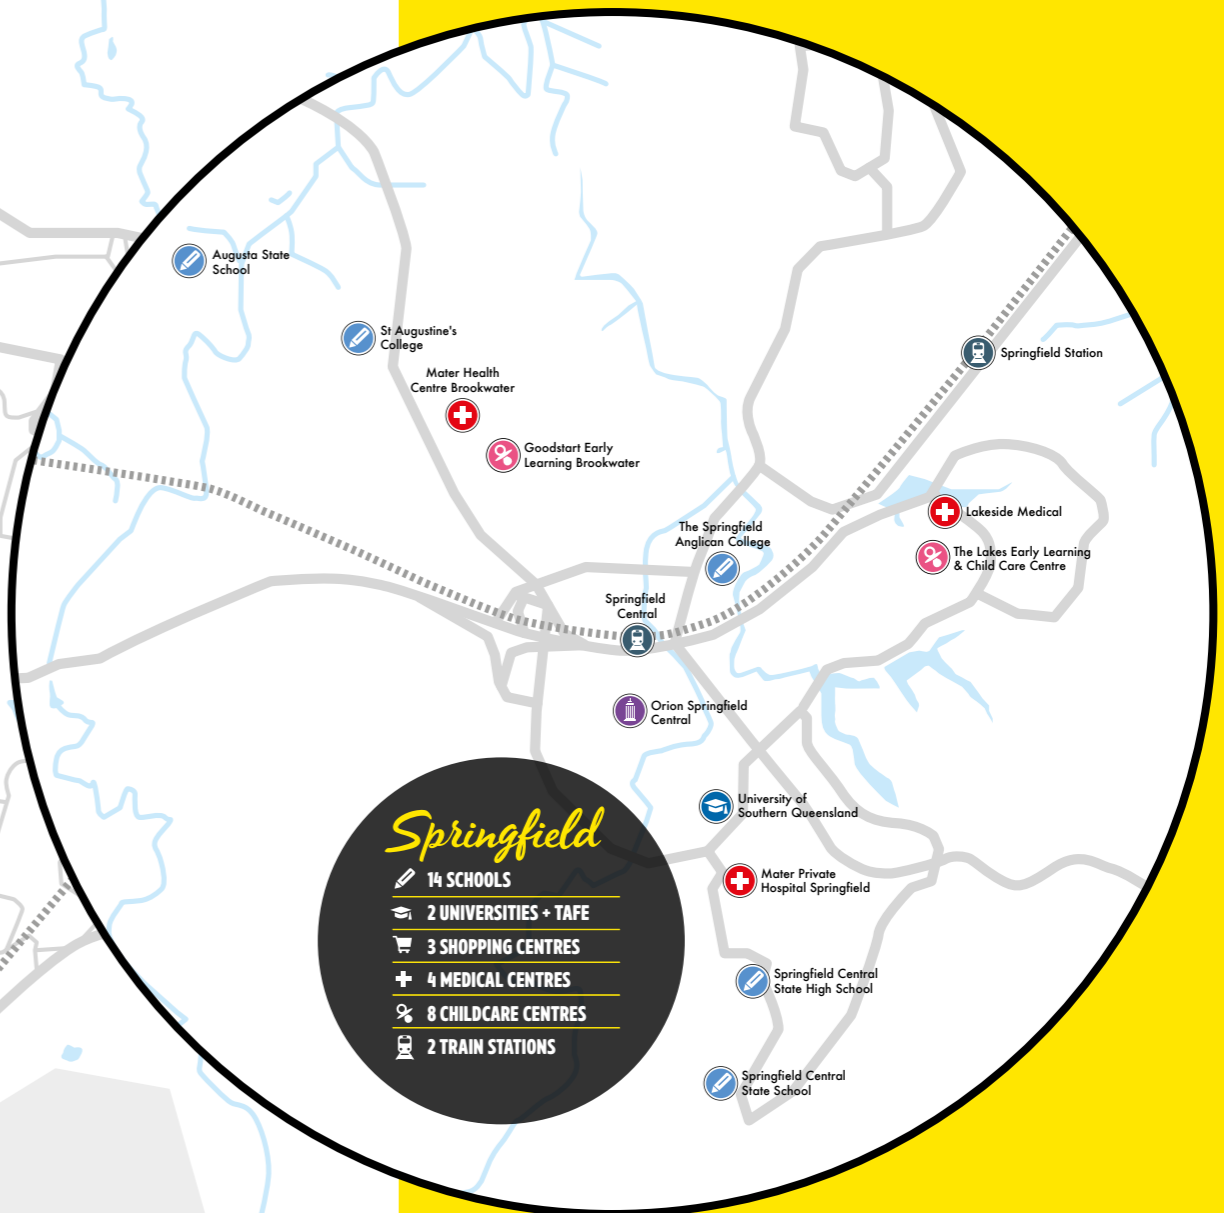

Situated in Brisbane's fast-growing south west corridor, Ripley Valley is a community that offers all the advantages and convenience of a connected modern lifestyle.

Hop in the car, and in just a matter of minutes you'll find yourself at Springfield or Ipswich. And with supermarkets, shopping, entertainment, childcare and schools nearby, you'll never be far from what you need.

There's also plenty to look forward to in the future, with the planned town centres of Ripley and South Ripley bringing shops, cafes and restaurants right to your doorstep.

A VALLEY OF CONNECTION

Thanks to Ripley Road, as well as the Cunningham and Centenary Highways, trips to and from Brisbane and the Gold Coast are a breeze. In addition to offering great arterial road access, Ripley Valley puts you within walking distance of a future transit centre that includes the planned Ripley North train station. The regional bus system will also connect to the transit centre, making journeys around the area quick and easy.
